**Miscellaneous Review of Wall Graphics - Historic Landmarks Commission**

Briefly address each of the criteria and state why this request should be approved.  
(Attach additional documents if necessary.)

Development Code Section 1.400. Definitions: Wall Graphics.

Any mosaic, mural or painting or graphic art technique or combination or grouping of mosaics, murals, or paintings or graphic art techniques applied, implanted or placed directly onto a wall or fence which does not identify a business or product, or carry a commercial or non-commercial message, excluding historical signs.

Name and type of business at location where wall graphic is to be installed:

Development Code Section 8.080(E)3. Specific Sign Regulations: Wall Graphics.

A wall graphic proposed to be located on a historic structure or site, adjacent to or across the right-of-way from a historic structure or site, within a National Register Historic District, or adjacent to or across the right-of-way from a National Register Historic District shall be evaluated by the Historic Landmarks Commission on a case by case basis in order to determine appropriateness to the area. The Historic Landmarks Commission may approve, deny, or modify requests, in accordance with Sections 9.010 through 9.100, based on their evaluation of the criteria. Describe below how your proposal meets the criteria, considering:

- a. The appropriateness of the work in terms of color, scale, location and design; and

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

- b. The impact on surrounding historic structures or sites; and

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

- c. The impact on surrounding buildings, views and vistas.
