Subject: Wave Wall Repair Quote
RE: Astoria 17th Street Dock Repairs

Jeff,

Bergerson Construction is pleased to provide this Quote for materials, equipment, labor and required insurance for the following scope of work:

1. Mobilization/Demobilization	1 LS	\$15,500
• Mobilize and demobilize crane barge, misc. tools, and supplies to jobsite.		
2. Repair Wave Wall Connections	1 LS	\$15,000
• Includes steel repairs between pile to waler connections as needed to reconnect wave wall panel back in place.		
3. Replace/Repair Wave Wall Timber Board	1 EA @ \$1,400/EA	\$1,400
• Includes replacement of broken or missing timber wave wall slat board.		
• Only 1 EA timber board was identified as missing on site, if additional boards are requested for repair, they will be at the unit price listed above.		
Total Quote:		\$31,900

Notes:

- If work can be coordinated around other crane barge work in the Astoria area, additional savings may be available on the mobilization/demobilization.
- Schedule of the crane barge and crew is subject to our construction contractual commitments and may not be available at the time requested; therefore, we request as much advanced notice as possible for scheduling.
- All invoices will have 0.57% added for Oregon CAT.

Exclusions:

- | | |
|--------------------------------|-----------------------------------|
| 1. Weekend Work | 4. Engineering |
| 2. Oregon CAT | 5. Special Inspection and Testing |
| 3. Bond (add 1.3% if required) | 6. Permits |

Thank you for the opportunity to provide this Quote. Please feel free to contact me personally if you have any questions or concerns.
