Only those parties who comment in writing on the proposed development will receive mailed notice of the decision on the request.

The Community Development Department's decision may be appealed by the applicant, or a party who responded in writing, by filing a Notice of Appeal within 15 days after the written decision is mailed. Appellants should contact the Community Development Department concerning specific procedures for filing an appeal with the City. If an appeal is not filed with the City within the 15-day period, the decision of the Community Development Department shall be final.

The Community Development Department reserves the right to modify the proposal, and no further public notice will be provided.
